

# Termites of Pakistan & Their Control

Zahoor Salihah, Abdus Sattar, Abid Farid and A.R. Shakoori

# TERMITES OF PAKISTAN AND THEIR CONTROL

**Zahoor Salihah**

Ph.D. (Punjab)

*Deputy Chief Scientist (Retd.)*

*Nuclear Institute for Food and Agriculture, Peshawar*

**Abdus Sattar**

Ph.D. (Punjab)

*Deputy Chief Scientist*

*Nuclear Institute for Food and Agriculture, Peshawar*

**Abid Farid**

Ph.D. (USA)

*Principal Scientist*

*Nuclear Institute for Food and Agriculture, Peshawar*

**Abdul Rauf Shakoori**

*Dr. rer. nat (Stuttgart-Hohenheim)*

Distinguished National Professor and Director

*School of Biological Sciences, University of the Punjab, Lahore-54590,  
Pakistan*

**Published by:**

**Zoological Society of Pakistan,**

**Department of Zoology, University of the Punjab, Lahore**

## CONTENTS

<b>Chapter 1: Introduction .....</b>	<b>1</b>
What are termites?.....	1
Ecological role of termites .....	1
Termites as pests .....	1
Termites as social insects .....	1
Classification of termites.....	6
References .....	10
<b>Chapter 2: Termites of Pakistan.....</b>	<b>11</b>
Distribution of termites in Pakistan.....	11
Termites of agricultural importance .....	17
Buildings Termites .....	27
References .....	32
<b>Chapter 3: Nesting System of Termites .....</b>	<b>35</b>
How are the nesting systems formed?.....	35
Structures associated with nest.....	35
Position and types of nests .....	36
References .....	45
<b>Chapter 4: Termite Rearing.....</b>	<b>47</b>
Maintaining termites without breeding .....	47
Breeding termites .....	53
References .....	58
<b>Chapter 5: Toxicological Studies in the Laboratory.....</b>	<b>61</b>
Selection of experimental specimens .....	61
Testing techniques and conditions .....	61
Reference.....	65
<b>Chapter 6: Use of Radiotracers and Dyes for Delineating Foraging     Territories of Termites.....</b>	<b>67</b>
Radiotracers.....	67
Dyes .....	74
References .....	80
<b>Chapter 7 - Integrated Management of Termites .....</b>	<b>85</b>
Targeting royal chamber .....	85
Use of slow-acting toxicant bait.....	86
Topically coating termites with termiticides .....	92
Exhaustive or mass trapping of termite workers .....	92
Chemical control .....	93
Cultural Control.....	95
References .....	95
Subject Index.....	101
